ABC Group Fuel Systems Inc. Honoured by General Motors as a 2003 Supplier of the Year

Toronto, ON – April 05, 2004 – ABC Group Fuel Systems Inc. was named as a General Motors' Supplier of the Year for its overall business performance in providing GM with parts and services. The award was given during ceremonies Saturday, April 3 in Prague at the Hilton Prague Hotel's Congress Hall.

“ABC Group Fuel Systems Inc. is representative of the type of company we want to grow with as we drive to be the best worldwide,” said Bo Anderson, Vice President, GM Worldwide Purchasing Production Control & Logistics.

“We believe success is a journey, not a destination. This recognition proves that teamwork and a strong commitment to providing quality service to our customers is the path to a winning partnership.” Mike Schmidt, President and CEO of ABC Group

The GM Supplier of the Year award began as a global program in 1992. Award-winners are selected by a global team of executives from purchasing, engineering, manufacturing and logistics who base their decisions on supplier performance in quality, service, technology and price. This year, General Motors honoured 77 suppliers for their excellence throughout 2003.

ABC Group, the parent company of ABC Group Fuel Systems Inc. is a global supplier of automotive systems with over 30 manufacturing locations in North America, South America, Europe and Asia. ABC Group provides a complete line of thermo-plastic systems and components for Air Induction Systems, Fluid Management Systems, Fuel Systems, Exterior and Interior Systems, including Instrument Panels and Spoilers for the global automotive industry.

About ABC Group Inc.

ABC Group Inc. is one of North America's top Tier 1 automotive parts suppliers. An award-winning international success story, ABC Group began in 1974 with a single manufacturing facility in Canada and has grown to become a global manufacturing enterprise. With over 4,000 employees and 25 manufacturing facilities in Canada, the United States, Mexico, Brazil, Spain, Poland, China and technical sales centers in Germany and Japan.
