Application: Blow Molded Bumper Systems
Vehicle: 2007 Jeep Wrangler (Domestic and Export)
OEM: DaimlerChrysler
System Supplier: ABC Group
Material Supplier: Salflex Polymers (ABC Group)
Tooling and Machine supplier: Supreme Tooling Group (ABC Group)

Toronto, ON - November 22, 2006 - On November 13, 2006, the SPE Grand Award, signifying "best-in-show" was awarded to ABC Group for the Blow Molded Bumper System and its structural molded-in color & textured A-class surface. The innovative use of plastics and a complete new design concept allows the blow molded bumper system to meet additional product functions and requirements.

Compared to alternate designs, ABC's design reduces the number of components, reduces weight, improved product performance and cost reduction.
